Patent No. 6,475,971 B2

Patented: November 5, 2002

On petition requesting issuance of a certificate for correction of inventorship pursuant to 35 U.S.C. 256, it has been found that the above identified patent, through error and without any deceptive intent, improperly sets forth the inventorship.

Accordingly, it is hereby certified that the correct inventorship of this patent is: Hang Thanh Pham, Erie County, NY; Rajiv Ratna Singh, Erie County, NY; Hsueh Sung Tung, Erie County, NY; and Daniel Christopher Merkel, West Seneca, NY.

Signed and Sealed this Thirty-first Day of January 2006.
